# Design System inspired by Clay

Creative agency. Organic shapes, soft gradients, art-directed layout.

## Usage

```
npx getdesign@latest add clay
```

Run this command from your project root, then ask your AI assistant to use DESIGN.md for UI work.

SAVE | INSTALLS 963 | BOOKMARKED 42

Not an official Clay design system. A curated starting point for building clay-like UIs with your AI coding agent.

Clay builds on creative agency and carries it with organic shapes, soft gradients, art-directed layout. It works best for creative agencies, playful B2B designs, and gradient-heavy layouts.

02 / TYPOGRAPHY

## Typography Scale

Display Hero

Display — 80px / 600 / 1.00 / -3.2px / Roobert

Display Secondary

Secondary — 60px / 600 / 1.00 / -2.4px / Roobert

Section Heading

Section — 44px / 600 / 1.10 / -1.32px / Roobert

## Card Heading

Card — 32px / 600 / 1.10 / -0.64px / Roobert

### Feature Title

Feature — 20px / 600 / 1.40 / -0.4px / Roobert

Body — Go to market with unique data — and the ability to act on it. Clay helps sales teams build pipeline.

Body — 18px / 400 / 1.60 / -0.36px / Roobert

Button — Start your free trial

Button — 16px / 500 / 1.50 / -0.16px / Roobert

Caption — Updated 3 minutes ago

Caption — 14px / 400 / 1.50 / Roobert

UPPERCASE LABEL

Label — 12px / 600 / uppercase / 1.08px / Roobert

```
clay.people.enrich({ email: 'user@company.com' })
```

Code — 14px / 400 / Space Mono

03 / BUTTONS

## Button Variants

Start Building — Primary Solid

Learn More — White Card

View Docs — Ghost Outlined

NEW FEATURE — Badge

Hover over buttons to see the playful rotateZ + hard shadow animation.

04 / CARDS

## Card Examples

Data Enrichment

**Turn data into action**

Enrich any record with 100+ data providers. Build automated workflows with Clay tables.

Dashed Border

**Flexible integrations**

Connect to any CRM, email tool, or data source. Dashed border variant for secondary content.

Colored Section

**Growth on autopilot**

Full-width colored section using the Matcha 800 swatch background.

05 / FORMS

## Form Elements

Company Name

Acme Corp

Default

Email

user@clay.com

Focus (blue ring)

Domain

invalid

Error (pomegranate ring)
